

 **October is almost here: Sammlerbörse Hochdorf, Fiera dell'Est and 40 more markets**

the Vintage Market Guide

Hi there,

October starts tomorrow, and autumn is slowly becoming hard to miss.  The days are getting shorter, the mornings fresher, but the market weekend is packed once again: 42 markets are coming up from Friday to Sunday!

If you're a collector, keep Friday and Saturday free: the [Grosse Sammlerbörse](#) is on in Hochdorf! Around 130 tables will be filled with stamps, postcards, coins, watches, jewellery, model trains, records and plenty more. It's the largest collectors' fair in Central Switzerland.

In Ticino, [La Fiera dell'Est](#) takes place in Lugano on Saturday: a big «svuota cantine» (cellar-clearing) market with more than 120 stalls dedicated entirely to second-hand, from clothes and vintage finds to collectables and antiques. Food trucks will be there throughout the day, and in the late afternoon the fourth edition winds down with an apéro and live music.

Plenty is going on in Romandie too: the [Brocante du quai de Nogent](#) in Yverdon-les-Bains runs from Friday to Sunday, while Sunday brings the [Grande Brocante de Genolier](#).

In Olten, the [City Träff Flohmi](#) makes its debut; in Chur, the [Floh- und Gänggalimarkt](#) takes place; and in St. Gallen, the [Flohmarkt im Areal Bach](#) takes place on Sunday if the weather stays dry.

In our Market Diaries further down, we take you to two very different places this time: to the Quai du Mont-Blanc for the Grande Foire à la Brocante in Geneva, and through the lanes and hidden courtyards of Zurich's old town at the last Kreisflohmi of the season.

Below, as always, you'll find all 42 markets from Friday to Sunday, sorted by region. And once you're through, it's worth reading just a little further: the TVMG website has just got a little bit better... 

Have fun browsing, planning and, of course, treasure hunting!

TVMG - Market Diaries

Grande Foire à la Brocante de Genève: The 4th Grande Foire à la Brocante on the Quai du Mont-Blanc: Lake Geneva right next door, the Jet d'Eau in view and the mountains on the other side of the lake. Collectors mingle with tourists and Sunday strollers, and the stalls carry a striking amount of furniture, rugs and large pieces.

Kreisflohmi: To close the Kreisflohmi season, it was Kreis 1's turn: from the Schipfe on the Limmat across to the Niederdorf, through narrow lanes and again and again into courtyards you hardly ever get to see otherwise. It feels a little as if someone had unlocked the city's doors for a day.

New: find markets near you 📍

There's one question we hear again and again: «What's on near me this weekend?» Until now, that meant going through the list region by region, and if you live on the border between two regions, doing it twice. From today, it's much easier, and we're so excited to show you!

The [homepage](#) now has a little sentence that you finish yourself: **When** and **Where**. Under «When», pick the next 7 days, this weekend or the next 30 days, or go to «Pick a date» and choose a specific day or a whole stretch of time.

Under «Where», type in your town or tap «Near me», then choose your radius: 10, 25, 50 or 100 kilometres. If you'd rather plan on a bigger scale, simply stick with a whole region.
